“Mama!! Gheeesssh ! Lady lady ! My sweet SOUR patch ! My PERSONAL DOVE ! My favorite Guardian angel !

I MISS YOU, So much down here . Mom I need your touches , YOUR WARM HANDS RUBBING THROUGH MY HAIR your sweet voice TELLING ME “DAUGHTER YOU ARE ONE OF GOD CHOOSING CHILDREN IM JUST BORROWING YOU FROM HIM FOR A LITTLE WHILE” you would tell me that EVERYTHING IS GOING TO BE OKAY AS LONG AS YOU ASK FOR IT THROUGH GOD the FATHER OUR WAY MAKER . It is ALREADY DONE IN YOUR FAVOR BELIEVE AND PRAY AND LEAVE IT .”Canei Louise Fuqua AKA MY PERSONAL SLICE OF HEAVEN” I’ll slowly FALL ALSLEEP WITH YOUR CALMING VOICE AND SOFT Gospel music playing. I miss that the most . You had your own personal relationship bc with your AWESOME 4 babies but never shown any difference between us! Your absent mom has been life changing for us all that had their own connection with you . We SHARED OUR MOM TO EVERYONE that truly loved her! The ones that put ACTIONS BEHIND HER thank you for loving my mom, I’m sitting here in a daydream because it’s upon your second DEATH YEAR AND IT STILL FEEL LIKE YESTERDAY TO ME ! January 12,2024 5:45am changed me forever, my birthday is January 13th . The next day literally, I haven’t celebrated since. I don’t think I will . It’s a hurting feeling and more painful to know I never gotten my last BIRTHDAY WISHES FROM YOU . ! But I’m here to also tell you I passed my first YEAR OF COLLEGE MOMMIE . Go me ! I’m doing it for you and me then the rest of our FAMILY! I love you so so so much I just wanted to come check in to tell you that I passed my first year becque if nobody is is proud I know you WOULDVE BEEN AND I KNOW YOU ARE STILL WATCHING ME AND ALSO HAPPY FOR ME IN SPIRIT!

“ It’s hard to fathom this, Ruby has been a part of our family since she was about 15/16, Ruby and my baby brother, had an everlasting love and they were blessed with three beautiful daughters and one handsome one, she such a sweetheart, through the years when my mother became terminally ill, she would tell every time when Ruby would come and sit with her, she was Momas bonus daughter, I’m thankful that she birthed 4 wonderful kids who have kept my brother and their dad’s legacy alive, which they will do the same for their beautiful Moma, Ruby, the love will never end ❤️❤️🙏

“Mama... Mama...Mama.... I still can't believe you are gone you are one of the strongest women I know and will probably ever know... You welcomed me and me kids with open arms over 10 yrs ago and never let us go... I don't know what I am going to do without you. Who do I call when things rough and I need to call or text my mama and talk to her.... I never ever thought you would leave ... your lil half breed daughter 😭 even though I hated when you said that you didn't care and would jump down anyone's back who said I wasn't your child. This one hurt 😞 so bad I wish you were here but I know your in a better place watch over Jupiter for me mama I know he was happy to see you. I love you mommy rest easy my lil lady till I get there

“ I’m sending my Condolences to the family of Ruby Hatter. Me and Ruby were good friends out in Boone Heights in the late 80’s and early 90’s. As a matter of fact I stayed with her for a while when my life had gotten off track and I was making poor decisions. Ruby and her Mom Aunt Sue were so sweet. They both would give you the shirts off their backs. I remember one time her brother Toney was babysitting and he fell asleep with one of her daughters on his lap and I came in the door and since he wouldn’t wake up I took her daughter home with me because I still had my place at the time and I didn’t know that Toney didn’t remember me talking her off his lap so around the next morning they thought she had been kidnapped! Yes they were going around Boone Heights knocking on everybody’s doors asking if they had seen anyone with her baby girl. I believe they had also called the police! Well when they made it to my house I said yes I have her because Toney told me to get her. Ruby was about to loose her mind when she thought her baby had been kidnapped. Well that’s just one of my many memories I have of Ruby. I will say this before closing Ruby was a real Gem. Take your rest beautiful woman. Love your old friend Audrey Few.
