“ To the family you all are in my thoughts and prayers. I pray that God will give you comfort and strength. I have known Sarah since childhood. She always remained a sweet and funny person. Whenever I went into the store, if Sarah was there no matter how I felt I always came out laughing or smiling because that was Sarah. She was always caring for others and making their day better. Sarah will definitely be missed. Rest In Peace Sarah. We feel you left too soon but God was ready to bring his angel home. We loved you but God loves you best

We live right across the street from each other in our childhood neighborhood. Barely talked or hung out back then but in your last days we were like sisters. Every time we saw each other no matter where it was you would stop and have a conversation with me and trusted me with things that you would only tell a close friend or family member. I appreciated your trust in me. I will miss our talks...I know you are in a better place! Take your Rest in Heaven Sarah Kidd Wheeler
