“ I like to express my condolence in behalf of Shirley family and the friends in Rogerville, Tennessee, and Fl. I met Shirley many years ago, and we have been friend since. The brother gave a loving talk about her hope, and the hope for the future. Her memory will continue on with many people she have assisted in the truth. It hurts us to see this happen to such a loving person, but death is our enemy, and one day it will be done away forever. Keep the faith family and her friends.
