“ I met her when she was a resident at our facility. She was so sweet and kind. My heart grew fun of her after the first day. To the family I seen my love and deepest sympathy.

“ I met shunte during a time where we were still navigating life and had come to the realization that our choices did matter. She continued to excel as a mother, daughter, sister, aunt, friend and professional. She will forever be one of the most extraordinary people i was blessed to know. Her family loved and accepted myself and my daughter as thier own. I shall never forget. My condolences to each and everyone of you
