“ Dear Ms. Kelly,
*Jasmin and I send our love and prayers on Angel's Wings for you
your family during this time.*

*I will forever remember how your face always glowed at the mention
of her name, and hers yours. Our paths crossed a year ago at a
Goodymbob Concert, I on my crutches, she in her chair, and guess
what, WE HAD A BALL... She, proud as a peacock, with that glow,
immediately said my name, followed with, "you remember me, I'm
Melba's daughter ."*

*Good job Mama, Melba Kelly, 40 plus years later, the world and I
could still experience the love, respect, and adoration a daughter,
Stephanie, had for her mother Melba.*

*Love always,
Carla Elliott & Jasmin Smith

“ *I remember Stephanie from Brainerd high my last year there. I took only one class with her but she was always quiet and reserved! I worked with her mom Ms. Kelly years ago at Avondale headstart up until she got sick. Saw Stephanie a couple of times after that. She hadnt changed and still looked the same. May God continue to keep her mom and family lifted up during this diifcult time!*
