“ Hello Family, love ones and friends. It's 2:24am here in Kenya, East Africa and this is the time that worked best to send a note of thanks to those that loved my dad and were his close friends. Family is so vital and we should nurture relationships as soon as the child is born and be thankful for the life that's given daily. Ana and I alone with our children and grandchildren thank you for the well wishes and prayers.

Loving people and sharing Jesus around the world~

“ *May the Lord give peace and comfort to my niece and nephew and the rest of the family for the loss of their loved one. I know it's been less than a year Andre and Sharon that you lost your mother and now you dad. But this is one thing I know for sure and that is God makes no mistakes. Stay strong and time will heal your hearts. Blessings.*
