“ Uncle Timothy Dude Hill was a delightful person with a pure heart. He was very smart and simply supportive, kind, and he would give you his last dollar. I loved our visits to see Timothy and our Grandparents. Timothy loved all of us and his admiration and always seeing the best in people was a gift he shared. We love you Timothy, and your love endures in our hearts and minds always. Thank-you for being simply you a blessing for the entire Hill family.

Uncle Timothy was a wonderful soul! He was spirited and we had great fun growing up together in the summer months. He was kind, delightful funny and a good confidant. I could not wait to play baseball with Uncle Timothy he was Simply the best as the Tina Turner classic goes his memory will be with me forever. I'll never forget him. Thank you for being you as Anthony said you were a blessing for the entire Hill family. You will be missed.

“ Timothy aka Dude,

He was the best uncle! He had that Hill love for sports. He would take me down to the basketball court just down the hill out back of the family home in Tennessee and we would play one on one for hours. I remember it so well he would reenact as if he was Doctor J shooting the game winning hook shot on me. He never let me win as he won every game lol. Dude's commentary was the best. He even played as if he was crowd going wild after every winning shot. He would do the same with baseball as we played he would call his plate appearances home run crowd goes wild. I will always remember the love for life and family thats showed in your smile. I love you uncle Dude
