“ I graduated in 1978 with her brother, I ran into her in the elevator at Erlanger, she had forgotten me but I told her who I was, she then remembered me. Every time I saw her we would talk about old times. Condolences to the family, praying God will comfort each of you during this difficult time!

“ To the Bryany Family. Pray for comfort and understanding.

I met Tonda while working in the Westside in the mid 1990's. She would give me and my partner's such a hard time. Later I realized this was her way of "breaking me in" to the neighborhood. Tonda never held back what was on her mind. She was always there to hear me vent. I will always remember how big her heart was.

*Rest in Peace my Friend.

“ *Long ago; through the Ballou Family, I met Tonda has she was a little girl. Taking Darlene back to MTSU; she was the family joy. My heart goes out to the Bryant Family; wishing the pain be short and the memories everlasting. Gone from earth but not the mind nor the spirit; may she remain where it counts most.*

“ I got to know Tonda when she started working on our floor. She was always so enthusiastic. She is going to be missed for sure. I got to meet her grandson one time. She was excited for him to come meet us. While I am sad to see her leave us, I know she is having a wonderful time in heaven. I am sending the family prayers.
