“ *Calvin and Shia Smith extend their deepest condolences to the Family of Travenor Sanders Clark. I met Travenor when we were attending Booker T. Washington Elementary School in Washington Hills and she was in the same grade with one of my brothers. Every time we ran across each other in our Adult Life, she always had a big smile on her face and was glad to see me. May God Bless and Comfort each of you, and we pray God's strength to the Family and our prayers and thoughts are with all of you during your time of bereavement. Words cannot ease the pain that you are going through; however, we do extend our deepest sympathy during this time.*
