“ My Buddy my Pal we laughed about how it was hard to just cook for one! She always had something to tell me! No matter how bad I was hurting, Undina, made me laugh. This hurts deep. To her Sons, Mother and Siblings and entire family, her love for you ran deep. She always was talking about her family and how they had a good time. We would talk about our Moms and how we were becoming just like them. This hurts, but rest assured The realm of heaven is aglow as this true angel is welcomed home.
