“ *Valerie was like a second mother to me and my family. She will be truly missed! My kids loved her so much they thought she was the funniest woman on Earth! She had taught me a lot of things while she was here and I will continue to grow with that knowledge for the rest of my life! You never know when God is going to call you home so I will see my sister in heaven! She loved the Lord and believe in him dearly! You is a angel and you will be truly missed! Still cannot believe that you are gone! My heavenly sister you will be truly missed God bless!!*

Oh! My goodness! I can't believe she's gone! I sat next to her the last time she came to our Bible study at Church in Ooltewah. She was an inspiration for me to serve God and others. She loved the Lord and was a committed Christian. She would invite others to come to Church with her. She is resting in Jesus and at the resurrection morning the dead in Christ will rise first and that's the blessed hope we have. I pray for us who are still living to be ready for the return of our Savior and Lord Jesus Christ. She had the biggest smile that anyone can have. Yes, she will be greatly missed. She took care of so many people whom she loved... My sincere condolences to her son, Jeffrey and the rest of her family members.

“ *I've know Valerie since we were very young girls. Her Mom and my mom we're friends, so naturally we were happy girlies as well. It was always Valerie's natural facial expression to have the biggest, brightest smile that would light up any room. She loved Jesus greatly and I know that infectious smile is even bigger because she's seen her Savior!*

“ It's only appropriate that I attach a picture of my pitbull, King. She loved him and he loved her. Most of my friends were scared of big dogs, even though King thinks he's a chihuahua..Valerie brought so much joy with her whether it was hanging out with me or dog sitting King or caring for her clients her joy was contagious. I miss you already we were trying to make plans to catch up & will still do that when I see you in heaven. Prayers for your family & friends
