“ Shell, I will always remember the days we spent on your front porch just talking about all we were going to accomplish in life and softball when we were young girls. Your fast pitch was out of this world just like your friendship. I thank God for my childhood friends and family and I am especially thankful for the memories I will cherish forever. Rest well my sister.

“ Prayers for the family as you prepare to say 'see you later'. I worked with her mom at CPD, when 'Shell' first started school and beyond! We picked her up at All Saints Academy many days, and listened to her tell us about her day at school. I know you will miss her. I visited Jennie Ruth many times when her babies were all little. Sending love and thoughts to her family who will miss her presence in their lives. -- Brenda

“ I want express my deepest condolences to your Aunt Jennie Ruth, Uncle Clark, brothers, cousins and other family members - and most importantly your son Trammell. I have so many memories of our childhood, walking or riding into elementary school together. I recall the bond you had with your mom as she would often drive us to school on her way to work. I'll forever remember those days. You are a beautiful soul Meshell. I'm thankful for the time God chose to give us. Rest In Peace my friend.

“ My Meshell. I thought of you today and all days. I will treasure everything you loved dearly because you are my sister. I proudly say sister because of our history and our bond....you will never be replaced in my heart. My mind still talks to you, and my heart will always, always look for your beautiful face. My grief is unimaginable, but in my soul, I know, heaven has an angle that knows how to love.. my grief will never end and I know you wouldn't want grief to be a place for me to stay. Just know that MY grief is not a sign of weakness nor is my grief a lack of faith, but do know I am proud to say MY GRIEF is the price of my endless unconditional love for you. REST PEACEFULLY by beautiful Veranda MESHell
