“ Vincent (Sloppy) was very well known in our community we all watched him grow and become the man that he became to encourage people i watched him change his life around from being fast paced young man to humbling his self. It would be time we would have to kidnapped him to spend time with him. It will never be the same without you no more pop up when you come in town, no more telling you to get out that dang car and come in the house and rest. Man you will forever be missed at the Harpers home we love you Vincent (Sloppy) Bowling.
