“BeeBee my wonderful loving cousin as a child I look forwarded to coming south to hang out at Annie Ruth's house sitting under my cousins was a joy and made coming south not that bad. If I could go back and spend just a little more time with you God knows that I would. I truly was looking forward to you coming to Detroit for a visit with the family. Your smile and our laughter at Curtis house will always be my most precious memory. Love you always but you knew that rest on in heaven you will be missed , Love ReRe
