“ *To my Uncle: There will never be another. Thanks for always being that calm voice in the room, that mild-mannered hero in the crowd, and the calming influence at the head of the table.*

*Thank you for the Summer of '78.*

*Words cannot express enough my feeling of loss in this moment. But, I understand that no one came to stay forever. I don't have to ask...because I know it is well with your soul. It always was.*

*I'll miss you. I'll never forget you.*

*Your nephew...*
