“ Hurt and pain.. my heart and soul again are deeply bruised for this family and friends. Our families go back to the late 60's, Butch and I shared so many hobbies and friends. Working and playing together, one of the greatest people and friend anyone could have. Mr. and Mrs Gandy were amazing, the love they gave and the son they were so proud of. Our many conversations, wisdom and joy shared. Truly, sincerely we will miss you. Gone to soon, continue to uplift us from above. An angel on Earth and so above.... “ Wilzie is a neighbor that will be sadly missed. No more throwing up the hand to say Hi when we would be checking our mail or as I'm leaving my driveway while he is cutting the lawn. Your family are in my prayers. MaShay, Felicia & Chanel

“*Wilzie, I will never forget our days and time spent at Ooltewah High School. I remember you playing your trumpet and marching in the band. Those were the good old days. Now, you are marching to another tune. May you find peace. You will be missed by all who love and care for you.*

*Your Classmate,
