“ Yvette was my bestfriend she loved me and my daughter unconditionally. No matter what was going on in her life she was always happy. She loved to make people laugh.. She was a very joyful person I just can't believe that she is gone. We would always joke about me singing at her funeral and she would say I will jump out of my casket and smack you.. I will miss you my dear friend please keep a watch over me and my daughter and tell my mom I said hi and thank you for always being there for me when I needed you.. Love you and my you rest in peace..
