*We were deeply saddened by this news, lost for words. Many fond memories down through the years, and she was one of those enduring souls, the kind you thought would someone be here forever...for the many lives she has touched, she will never fully depart. Sending up our prayers for peace & comfort for her dearly beloved son & daughter (love of Christ to Andre & Sharon, His strength & peace be with you both), Her grandchildren (Dre Jr., Ariel, DJ, & Victoria) her loving siblings, all the many family members, friends - everyone everywhere, all who knew & loved Mama Yvonne...she was one of a kind & has been missed already. As the celebration of her life goes forth, we are thankful knowing The King of Glory now has her in His eternal care, no more pain or suffering there in His loving hands, PRAISE GOD ✨

“Mama Yvonne shared an unbreakable bond with her children! 😊 She wore the proudest look on her face I have ever seen ❤️ ...She was a Modeled Woman of God! A Proverbs 31 Woman to be exact!Her children rose up and called, "Her Blessed"!...because 😇 she was a blessing to all who were privileged to be in her presence! LOL! 😊 Lawwd those Chess pie squares were the best I ever had! They were favorable, tender, sweet & sassy just like her! She was clothed in HIS RIGHTEOUSNESS as She strutted a Fashionable walk with a strong assurance of her Faith in Christ! She wanted everyone to know the God she served! ...now to her God fearing son Dr. Andre' Westfield Sr. and the Entire Westfield family, May The Lord comfort you all with His Loving-Peace knowing that Mama Yvonne has left you all with her LEGACY of LOVE for Her Children, Grandchildren , Community & Church! She has passed the torch for Y'all to carry on in that same manner of ❤️ LOVE! Our Thoughts and Prayers will continue to be with You All! “ To my nephew and niece Andre and Sharon I'm sending my deepest sympathy and overwhelming sadness to you in the loss of your mother and my sister. This I know for sure is the your mother loved you both, her grandkids and great grandkids. She spoke of you all the time and was very proud of your successes. She was a woman of impeccable style and grace and love of family. She was my oldest sister and she made sure I remembered that. I loved her and missed talking with her and getting family updates. She will be sorely missed. My prayer for you all is to not let this matriarch legacy fade. Always stay close because that is the will of God that we love one another. May the peace of Jesus rest with you all.

“The best mother in the world”

God has blessed me tremendously as a result of being the first to come through her womb, I'm forever grateful and these simple words can not express the LOVE that I have for my dear mother! With sadness, joy, and a broken heart that only Jesus can bring the comfort to; I will miss you dearly!

My covenant that I made with her: I will be the man of God that God called me to be and take this gospel to the WORLD ... Mark 16:15
