“ I have been greatly blessed to have you as my Sister in law and friend. I have enjoyed many phone calls of us talking and counting our grandkids and Children sharing milestones along the way and hearing the joy in your voice as each one would visit while we were on a call. It is not easy to take the news of your passing but the comfort comes in knowing that you were called home to take the space of another who was promoted to a holier calling and placed on the welcome home committee of exceptional meal planning. I know your finding great joy with love ones who preceded you and please know you will be greatly missed. Thank you for being my Sister in Law. Enjoy your Crown.
